PROPOSED TRIP

Mount Spurgeon -18th & 19th September 2010

Anticipated Trip Grade: **2** Mainly high range but low range required and standard road tyres.

Trip Leader – **Wolfgang Rauh**

Date – **Saturday & Sunday 18th & 19th September 2010**

Departure – **Caravonica State School at 8.00am for 8.30am departure**

Sunday

This is a 2 day camping trip with an overnight camp by the McLeod River Falls.

We'll proceed up the Kuranda Range and meet Tableland members at Centenary Park and leave by 9.15am for morning tea at Mt. Malloy Park.

Next stop Mt. Carbine then right turn for the climb up to Mt. Spurgeon.

We'll then crop down to the McLeod River Falls to camp the night or perhaps another quiet spot.

This is quite a challenging but enjoyable drive with reasonably steep grades and a lovely view looking back over Mt. Carbine to the ranges.

You are all reminded that when you are on any of our trips that you will require as a minimum:-

Your Vehicle in Good Mechanical Condition and

- Fire Extinguisher – 1kg Dry Powder for Electrical and Fuel Fires
