PROPOSED TRIP **Gurrumba – 24th October 2010**

Anticipated Trip Grade: **2** *Mainly high range but low range required and standard road tyres.*

Trip Leader – **Steve Reeves**

Date – **Sunday 24th October 2010**

Departure – **Sunday – Mareeba Centenary Park at 8.45am for 9.00am departure**

Sunday ***A relatively easy all day trip and definitely suitable for visitors.***

As roadworks are happening on the Kuranda Range we have decided to meet at Centenary Park in Mareeba.

We'll travel via Herberton to Irvinebank for morning tea around 10:00 AM. We should reach Gurrumba around mid-day before going on to Mt. Garnet and Innot Hot Springs and then returning home.

Your Vehicle should be in Good Mechanical Condition and advised is:-

- Fire Extinguisher – 1kg Dry Powder for Electrical and Fuel Fires
- First Aid Kit
- Serviceable Snatch-um Strap – Minimum 8000kg
- 2 'D' or 'Bow' Shackles – 16mm pin 2.45 tonnes rated
- Shovel
- Basic Tool Kit and Spare Parts – Fan Belt, Radiator Hoses etc
- Jack, jacking plate and appropriate tools.

You will need:-

- A full tank of Fuel
- Water and Food

Visitors are welcome

Please call **Steve Reeves** on **0417 730486** or email **ssmn@bigpond.com** to **confirm** your attendance by this coming Thursday 21st.

Please do not turn up on the day without confirming your attendance – trip leaders hate it!

Next General Club Meeting - Wednesday 10th November 2010 at 6.30pm at Brothers Leagues Club.
