## PROPOSED TRIP

### **Queen's Birthday Weekend** **Palmer River - 11th, 12th & 13th June 2011**

Anticipated Trip Grade: **3**      Low range and high ground clearance. Mud/All terrain tyres. Appropriate recovery equipment and experience required

Trip Leader – **Justin Bromage**

Date      – **11th, 12th & 13th June 2011**

Departure – **Caravonica State School at 6.30am for 7.00am departure**

#### Saturday

*Justin will take us via Mount Carbine (last fuel stop) before driving to the Palmer River which we will approach from the south (White's Creek). Camp will be set up at the Palmer River.*

#### Sunday

*Explore historical sites at Maytown, fishing, walking, etc.*

#### Monday

*Return home.*

#### Notes:-

*Crocodiles in Adams Dam and Palmer River. Take lots of drinking water, food and all necessary camping equipment. You'll need fuel for some 550-600 kilometres. Because of the rocky nature of the tracks it is important that your tyres (including spare) are in good condition. The trip leader can refuse you participating in the trip if your vehicle is not in good mechanical condition.*
